We are legally obligated to inform you that false, untrue or incomplete details lead to the loss of insurance coverage, even if the insurer did not suffer from any disadvantage due to the flawed information.

Location _____ Date _____ Signature _____

Caution for legal consequences of information and clarification duties after the claim:

Due to the contractual agreements we can demand you, after the contingency, to give us all necessary information to ascertain the claim or to check our obligation to perform the contract (information duty), and we can demand you to give us all clarifications which are necessary to clarify the facts so that we can properly check our obligation to perform the contract (clarification duty). In this regard we can also demand you that you give us all respective proofs.

Should you, against the contractual agreement, refuse to give us any information or should you give us false information and should you also willfully refuse to provide us with the demanded information or proofs or should you give us these delayed this can lead to the total loss of the insurance performance. Should you contravene these obligations with gross negligence this can lead – according to the severity of the negligence – to a cut (even up to 0) of the insurance performance. You can prevent such a cut if you proof that the obligation was not contravene with gross negligence.

Despite the violation of your obligation to give us information, clarifications or proofs, however, we remain bounded to our insurance performance as far as you can proof that the willful or grossly negligent violation of the obligation was causal neither for the ascertainment of the claim nor for the ascertainment of the scale of our obligation to perform the contract. This, however, is not valid if the violation of the obligation was fraudulently induced by you.
